

Online MBA Curriculum

WELCOME TO A UNIQUE ONLINE MBA, WHERE TWENTY PERCENT OF YOUR COURSES WILL BE EXPERIENTIAL

Northeastern University's D'Amore-McKim School of Business prepares future-focused business leaders. The Online MBA program integrates business knowledge with an understanding of larger societal challenges, preparing you for a digital-first economy where you'll need to find creative solutions to complex business and pressing societal challenges. Through immersive experiential projects in your EXPO courses, you'll tackle business challenges in actual organizations. You'll focus on complex issues where multiple approaches are possible and numerous solutions need evaluation.

*The curriculum is subject to change by D'Amore-McKim faculty. Elective classes may have prerequisite requirements and may not be offered every term. You are encouraged to work with your academic advisor when planning your schedule.
**All students joining the program via Performance-Based Admissions must complete two Pathway Courses, earning a B or better in both, before enrolling in any other Online MBA course. Both Pathway Courses are offered every term.
***Students pursing elective credits should expect to take appoximately 8 elective courses to complete the 26-credit Business Elective requirement, depending on the mix of 2- and 4-credit courses selected.
